

Co-Branding Partnership

Are you tired of...

- ◆ Working endlessly on building your brand
- ◆ Working hard on branding elements only for it to be disposable (i.e.: packaging, product, etc.)
- ◆ Looking for brand partnerships that would be impactful towards your brand growth goals

Are you looking for ways to...

- ◆ Make your brand memorable
- ◆ Build awareness with customers in the market
- ◆ Gain greater reach within the industry

We understand the time and effort it takes to build a brand to become a smoking kit staple, let Wakit™ help make it easy through innovative products & sales support.

Distribution of Wakit™ devices are constantly growing. We currently have happy customers across USA, Canada, Mexico, UK, EU, and Thailand.

Co-Brand Partnership Process

2 Artwork

Client will use the supplied templates to create their desired co branded artwork with ease for device and packaging.

1. Fill in the provided artwork templates
2. Submit artwork for Wakit™ approval
3. Wakit™ submits the artwork to the manufacturer
4. Approve samples to proceed with production

The co-branded devices and packaging will be produced for a limited production run.

Co-Brand Partnership Process

3 Production

Once final artwork is submitted to vendor, and approved, order is executed for production with lead time and distribution terms discussed.

- Once the agreement has been executed in order to give the brand exclusivity, Wakit™ will not sell units to distributors, smoke shops, or dispensaries without written permission from our branding partner.
- Specific serial numbers will be included on the production run to ensure authenticity and a limited 6 month warranty guarantee is offered to all consumers in the United States.
- Lead time from approved cobranding artwork is 3 months.
